

# Potty Training Questionnaire

- Is your toddler willing to sit on the potty?
- Are they waking from a daytime nap with a dry nappy?
- Are they becoming aware that they're urinating or pooping by going still when they do so?
- Does your toddler take an interest in others using the toilet?
- Are they showing a dislike of having a dirty nappy and pulling at it or asking for it to be changed?
- Does your toddler want to wear big boy/girl underwear?
- Can they pull their bottoms up and down?
- Can they run and walk properly?
- Is your toddler starting to show signs of independence?
- Is your toddler able to sit still for a length of time?
- Are they able to follow simple instructions consistently?
- Can your toddler communicate that they need to use the bathroom with the appropriate vocabulary?
